

Quick Release
No tools required

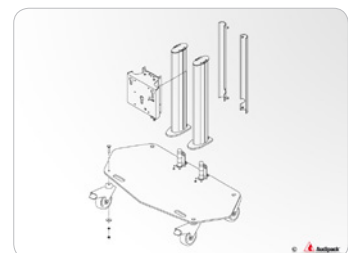

Low "monitoring" floor stand on wheels for flat panels up to 60 Kg. No tools needed for assembling. The perfect rental product.

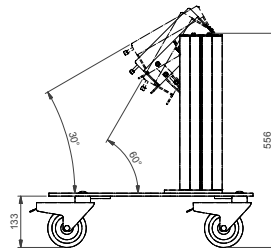

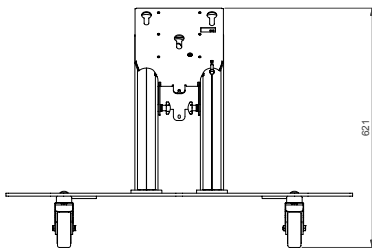

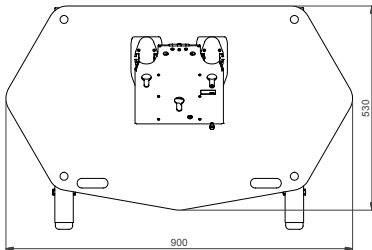

Free standing double column floor monitor stand on wheels, suitable for flat screens. The floor stand is supplied with high quality swivel/break wheels. This low version floor stand is specially designed for floor monitoring purposes.

The quick release feature allows you to install the floor stand and screen on any location without tools.

The standard height of the floor stand is 400 mm. The flat screen can be landscape mounted and inclined to approx. 60 degrees for an optimum visibility with a low presentation height. The two vertical columns are mounted on a rigid floor plate.

- ▲ Suitable for floor monitoring purposes
- ▲ No tools required for installation
- ▲ High quality swivel/break wheels
- ▲ Audipack flat panel Lock-n-Secure mounting system
- ▲ Suitable for all brands of flat panels
