2724 mm

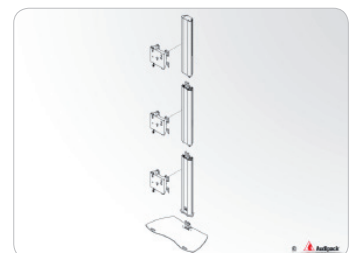

The most easy, effective and cost reducing method to assemble a video wall floor stand. No tools needed for assembling. The perfect rental product.

Free standing, dividable floor stand for a video wall of 3 flat panels of max. 55 inch per piece above one another. The quick release feature allows you to install the floor stand and screen on any location without tools.

The floor stand consists of a strong and solid vertical column, supplied with a wide access hatch on the back for power, audio and data cables.

The presentation height of the flat panel is adjustable. This floor stand is suitable for flat panels with a maximum screen size of 55 inch.

- ▲ No tools required for installation
- ▲ Easy to connect multiple floor stands to create a video wall
- ▲ Integrated yet easily accessible cable channel
- ▲ Suitable for all brands of flat panels
- ▲ Landscape and portrait orientation of the screen
