FACT SHEET

XL-350/2

Stroke
700 mm

Max. projector dimensions:
W490 x D490

The bigger single stroke mini light weight projector lift with a max. capacity of 10 Kg.

The XL-350 ceiling lift is part of Audipack's broad range of projector ceiling lifts.

This range features various models, so choosing the best suited model is easy. With an Audipack ceiling lift, the projector is mounted out of sight over the suspended ceiling and can be positioned for presentations.

Conform Audipack's philosophy, the lift is highly reliable, accurate and durable. The XL-350 ceiling lift is delivered including a ceiling finishing mask for the suspended ceiling.

- ▲ **Reliable**
- ▲ **Durable**
- ▲ **Very silent lift system**
- ▲ **Low maintenance**
